

**Al-Akhbar News Agency interview with Bint Mohammed Al-Amin
coordinator of the women of the Salafi detainees,
a Muhajir Mauritanian sister in Timbuktu**

Al-Akhbar Agency: You are the first Mauritanian woman to reach north Mali, what made you do that?

Bint Mohammed Al-Amin: I'm not the first Mauritanian woman to reach north Mali, my motives to make Hjah and leave the family and loved ones and brothers are plenty I mention from it – just as an example).

Not implementing the Sharia of Allah Almighty who brought down, and it is a fully integrated approach, the Almighty says: (He has made plain to you of the religion what He enjoined upon Nuh and that which We have revealed to you and that which We enjoined upon Ibrahim and Musa and Isa that keep to obedience and be not divided therein) 13 Surah Ash-Shura.

And made it obligatory to resort to it and forbade us to resort to anything else and being pleased by its ruling, the Almighty says (Have you not seen those who assert that they believe in what has been revealed to you and what was revealed before you? They desire to summon one another to the judgment of the Shaitan, though they were commanded to deny him) 60 Surah An-Nisa.

And the Lord Almighty denied Iman to those who resort to other than His Sharia, the Almighty says (But no! by your Lord! they do not believe (in reality) until they make you a judge of that which has become a matter of disagreement among them) 65 Surah An-Nisa.

And He described every rule other than His Sharia as a Jahili rule, the Almighty says: (Is it then the judgment of (the times of) ignorance that they desire? And who is better than Allah to judge for a people who are sure?) 50 Surah Al-Maeda

The injustice, oppression, imprisonment and torture practiced on the Da'ies by the ruling Taguti regime until the Da'ies became constrained and cannot make Dawah to Allah and clarify many of the religion of Allah especially Al-Walla wa Al-Bara, and that of course is under the slogan of combatting terror which was declared by Bush Jr. after the events of 11 September 2001 when he declared that he is the master of the holy crusade war on Islam and declared it a war on terrorism which means a war on Islam and Muslims and aided in that by his lackeys and slaves from our people from the Arab rulers, the Almighty says: (and whoever amongst you takes them for a friend, then surely he is one of them) 51 Surah Al-Maeda, so they imprisoned, displaced and tortured the sons of Muslims, and as everyone knows the Tagut Mohamed Ould Abdel Aziz was the most Mauritanian Tawagit who had hatred to Islam and Muslims, and from the first moment when he usurped the power from his friend the Tagut Sidi Ould Cheikh Abdallahi he declared it a ferocious war on Islam.

And I want here to remind that terrorism has come as an order from Allah Almighty to his righteous Awliya to terrorize His enemy and their enemies, the Almighty says: (And prepare against them what force you can and horses tied at the frontier, to frighten thereby the enemy of Allah and your enemy and others besides them, whom you do not know (but) Allah knows them) 60 Surah Al-Anfal.

But most of the Muslims are away from the Book of their Lord, that's why the Mauritanian Tagut managed to take their sons from them, and drag them to prisons and torture them and they are silent because they aren't aware that he is a Kaffir who is not ruling with the Sharia of Allah, and who is loyal to the enemies of Allah, and who fights Islam everywhere, and an aid to the Jews and Christians in killing the Muslims in Palestine, Iraq and Palestine... even he is killing the sons of the people in cold blood inside the country, and the incident of his sons shooting a girl is still remembered, as well as embroiling them in proxy wars.

proceeding from these motives and other, and in compliance with order of the Almighty to the Muslims to make Hijrah, and since our brothers in north Mali rule by the Sharia, it is obligatory on every Muslim who cannot reveal his religion to make Hijrah from the land of Kufr to the land of Iman.

And I want to refer here to the Mauritanian people is a Muslim nation the Almighty says: (Surely (as for) those whom the angels cause to die while they are unjust to their souls, they shall say: In what state were you? They shall say: We were weak in the earth. They shall say: Was not Allah's earth spacious, so that you should have migrated therein?) 97 Surah An-Nisa. Al-Tabari rahimahullah said in his Tafsir to the saying of the Almighty: "They shall say: In what state were you?" the angels say In what state were you which means what was your position from your religion, they said we were weak in the land which means those whom the angels cause to die while they are unjust to their souls, We were weak in the earth oppressed by the people of polytheism in our land by their numbers and power they prevented us from believing in Allah and following His messenger peace and blessings of Allah be upon him which is a weak apology and lame excuse, they said Was not Allah's earth spacious, so that you should have migrated therein which means that the angels who cause to die said Was not Allah's earth spacious, so that you should have migrated therein, he says go out from your land and homes and leave those who prevent you from believing in Allah and following His messenger peace and blessings of Allah be upon him to the land where its people protect you from the authority of the people of polytheism so that you make Tawhid of Allah and worship Him. End of his Tafsir rahimahullah.

A.N.A: You used to lead the combative solidarity stands with the prisoners in Mauritania? Did you give up that or you have assigned that task to others?

B.M.A: Allow me to disagree with you in the naming of things, what you call combative I call it Dawah to Allah Almighty, which is an integral part from the ideological methodology which I believe in and I cannot give it up, since all Da'ies work according to the saying of the Almighty: (Hasten to forgiveness from your Lord and to a garden the extensiveness of which is as the extensiveness of the heaven and the earth) 21 Surah Al-Hadid, and the one who has that motive doesn't need authorization from anyone.

A.N.A: How did you succeed in leaving Mauritania? And what was the path you took?

B.M.A: I succeeded in making Hijrah by the guidance of Allah Almighty, and who believed Allah and kept his trust in Him and success from Him Almighty, the matter isn't hard, since the security situation in the country is fragile, and there is no better proof for that than firing at the president when he was returning from his resort despite of spending a lot of money for that matter, the Almighty says: (Surely those who disbelieve spend their wealth to hinder (people) from the way of Allah; so they shall spend it, then it shall be to them an intense regret, then they shall be overcome) 36 Surah Al-Anfal.

And allow to ask from where did Ould Abdel Aziz get this resort? Did he inherit it from his forefathers?

A.N.A: Did you come to the north alone? Or other women came with you?

B.M.A: I came with company and I ask Allah to give me and them steadfast.

A.N.A: Can you give a number or an approximate number?

B.M.A:

A.N.A: Do have ways to communicate with your colleagues in Mauritania, from the mothers and wives of the detainees?

B.M.A: With the grace of Allah the means of communication are many, and there is contact, and I ask Allah to perpetuate on us and our brothers His blessings, and give us and them steadfast.
